
Company name:	Lyngsoe Systems A/S
Product/service:	Lyngsoe Automated Validation Station
Version:	AVS v 1.8.0
Components:	N/A
Date of approval:	25 September 2023
Valid until:	Valid for three years from the date of approval
Certificate reference:	5012345000107080

The product or service detailed above has been checked by GS1 UK and has met compliance with the following GS1 standards:

- **GS1 Identification Keys**
 - **Locations:** Global Location Number (GLN), GLN Extension Component
 - **Items:** Global Trade Item Number (GTIN)
 - **Assets:** Global Individual Asset Identifier (GIAI)
 - **Returnable assets:** Global Returnable Asset Identifier (GRAI)
 - **Logistic units:** Serial Shipping Container Code (SSCC)

- **GS1 data carriers**
 - **EPC/RFID**

GS1 UK has approved this product following a defined and consistent process to ensure conformance to the latest relevant published GS1 standards.

Further details of the product's capabilities, as tested against each of the appropriate GS1 standards, are included in the appendix of this public report.

Please note: the approval process does not guarantee that every application or usage of the product/service detailed above will result in GS1-compliant outputs. Factors affecting this could include user-error, data used and any interfacing software and hardware.

A handwritten signature in black ink, appearing to read 'Mark Gillott', with a large circular flourish at the end.
